## Proudly Introducing... SGD Investment Strategies

Due to the desire for reflecting our most important values and goals in all that we do, we have officially changed our name from Professional Investment Planners to SGD Investment Strategies. We believe that this name change better reflects our company's philosophy and clearly states what we aim to provide for YOU.

So does this change the way we do business? Absolutely not! The most noticeable changes will be on our Free Report, which may be obtained from [www.freefrommortgage.com.au](http://www.freefrommortgage.com.au) and our weblog [www.michaelnemeth.com.au](http://www.michaelnemeth.com.au). Otherwise, it's business as usual and you can be rest assured that this name change does not compromise our passion for looking after you, building and protecting your wealth and delivering the highest quality of service to you. In fact, with such volatility and tension in the financial markets at the moment, our focus is on ensuring that our clients feel more secure than ever with their financial needs. We will continue to assist those who seek ways of obtaining financial freedom and accelerate them towards achieving their aspirations. Most importantly, we will continue to maintain integrity and excellence in all areas of our business no matter what the market conditions are or what changes are taking place.

If you have any questions, or know anyone who may be interested in our services then please do not hesitate to contact us on (08) 9386 1065 or click on the links above.

We sincerely thank you for your ongoing support and look forward to keeping you on board on this journey with us.
